ABC 101-Foundations
Speaker: Eugene Pak, Wendel Rosen Black & Dean LLP
Learn the history and foundation of our current ABC regulations. Eugene will cover the origins of tied house laws and the reasoning and basis for the three-tier system. Sound simple? You may be surprised what you learn. This seminar is essential for new entrants to the industry and a good "tune-up" for you veterans.
Location: Alexander Valley Ballroom 2-4

Planning for Growth
Speakers: Ryan Graham, Track 7 Brewing Co.
Learn from those who have done it. Many craft brewers are busting at the seams but making that "next step" can be daunting. Learn from two brewers who have done it. They will discuss the unexpected challenges of expanding into a larger brewhouse, and about the lessons learned in expanding into a new facility.
Location: Alexander Valley Ballroom 1

3:00 PM-
3:50 PM

Retail Panel- Push Pull
Competition is heating up and there is only so much shelf space. Not only do you have to push your brand onto the retail real estate, you also have to make sure your beer pulls off the shelf. This panel of three retailers will cover how to make a sales presentation, best types of POS to provide, what retailers are looking for in a craft brand and what crates good sales velocity.
Location: Alexander Valley Ballroom 2-4

CA HR Workshop
Speaker: Amy Lessa, Fisher & Phillips
Overtime, break-time, salary versus hourly, interns, volunteers, hiring, firing. workman's' comp, health benefits. Yikes! There's a lot to know. Every brewery has employees. This valuable workshop will cover what you need to know whether you have one or 100 employees
Location: Alexander Valley Ballroom 1
